**Greetings dear sewing enthusiast,**

We hope you are keeping well during these tough times. Thank you for downloading our Smocked Dress pattern, which we trust will keep you occupied for a while and be worth the effort.

The pattern is sized to fit an average 18-month-old (chest 54cm, dress length 50cm) in order to give you the same challenge our lovely Sewing Bee competitors had to tackle – and it certainly gave them a good test!

It's the first time we've done this and it will be the only pattern we share this series, but if you can't wait to get your hands on more patterns from the show then please check out our new 'The Great British Sewing Bee: Sustainable Style' book.

Best of luck with making the dress – they will make lovely gifts for toddlers.

Sew long for now!
